OUR CHILDREN WILL SHAPE THE FUTURE.

Our programs inspire children to be compassionate and loving leaders. Since our founding in 2010, Touching Heart's programs have enabled children to realize that they can make a difference in the world.

Thank you for your support! Your sponsorship does so much - first, it funds our Kids on a Mission and Schools on a Mission programs that help children learn about the joy of giving back. Second, your donation multiplies in value as these children complete service projects and raise funds to provide basic necessities for children in local foster care, in local homeless shelters, and in carefully screened orphanages worldwide.
